

CAPITOL REPORT

December 18, 2006

During this Holiday Season, and as this year draws to a close, all of us at Kelley Cawthorne want to THANK YOU for giving us the opportunity to serve you in 2006.

It's been a good year for us, and we hope it's been a good one for you. In our business we can expect to "win some" and "lose some," but during this past year we have had an unusually good run of successes...and the outstanding support of our clients has been a major reason for that success. So, again, we say "thank you."

We have also taken on a number of new clients and we welcome each of them to our "family." We'll work hard for them and for all of our clients in 2007, we can promise you that.

During the coming year, as always, feel free to call or visit us at any time. We're here to serve you and we're proud to have you as a client.
